SAUNDERSFOOT

WINE LIST

At Coast we showcase progressive and sustainable winemakers from Europe and New World as well as a handpicked selection of some of the best producers in the United Kingdom.

We love wines that do not conform to standards yet are the purest expression of terroir displaying the best of the grape variety. Wines that respect single vineyard specificity and change year on year.

Our remarkable natural setting inspires us to champion organic viticulture and low-intervention winemaking alongside small and independent producers. Please take your time to enjoy our wine list. If you need help with your selection we are here for you.

Head Sommelier
Mattia Ivaldi

BILLECART-SALMON CHAMPAGNE

The Seren Collection is extremely proud of presenting Billecart-Salmon as House Champagne across its venues, thanks to the long standing relationship between the restaurants and the maison.

Established in 1818 by Nicolas-Francois Billecart in Mareuil-sur-Ay, the house today is managed by the 6th generation of the Billecart-Salmon family, making it one of the few remaining champagne maisons still run by the original founders.
